## Utah Adult Education

### *Utah Adult Education*

A highly successful system of basic skills for adults in family, community, and work.

### *What Is Adult Education?*

**Our mission is** to empower individuals to become self-sufficient, with skills necessary for future employment and personal successes.

**Our vision is** to assist adults to become literate and obtain the knowledge and skills necessary for employment and self-sufficiency while completing a secondary education.

**For 38 years Adult Education/Utah State Office of Education** has had a positive impact on the economic development of Utah.

**Adult Education** in Utah consists of programs and services to assist individuals 16 years of age and older who have discontinued public education enrollment or whose high school class has graduated and who do not have a high school diploma. Adults needing English language acquisition and those with or without a high school diploma needing basic skills development are also eligible.

**Adult Education** promotes programs in Adult Basic Education (ABE), Adult High School Completion (AHSC), English for Speakers of Other Languages (ESOL), and General Educational Development (GED). Programs may emphasize English language acquisition and competency, basic skills in reading, writing, math and problem solving, or workplace literacy in addition to academic/credit courses leading to high school completion.

**Adult Education** programs are located in 40 school districts and several community and/or faith based organizations. Individual businesses have chosen to provide adult education services as part of their employee advancement process.

*During 2005-2006, 27,357 enrollees were served in Utah Adult Education programs.*

### **ADULT EDUCATION PROGRAMS**

(Funded through federal and/or state grants)

#### **Adult Basic Education (ABE)**

ABE is a program that provides instruction for adults whose ability to compute, speak, read, or write the English language only at or below the ninth grade level substantially impairs their ability to find or retain employment commensurate with their real ability.

Instruction is designed to help adults by:

- Increasing their independence.
- Increasing opportunities for more productive and profitable employment.
- Making them better able to meet adult responsibilities.

*Statewide enrollment for 2005-2006 was 13,026.*

#### **Adult High School Completion (AHSC)**

AHSC is a program for those adults who have some literacy skills and can function in everyday life, but do not have a secondary school diploma or GED. AHSC provides instruction in the Utah Core Curriculum, which leads to a high school diploma.

*Statewide enrollment for 2005-2006 was 3,984.*

#### **English Language Civics (ELC) and English for Speakers of Other Languages (ESOL)**

ELC/ESOL is a program for those limited English proficient students who have a focus on improving English communication skills such as speaking, reading, writing, and listening.

*Statewide enrollment for 2005-2006 was 10,347.*

#### **General Educational Development (GED)**

GED measures the major and lasting outcomes and concepts associated with a traditional four-year high school education. Testing sites are located statewide.

*Statewide examinees for 2005-2006 was 6,590, with 5,192 receiving GED certificates.*

#### **Corrections Education**

Corrections Education provides educational opportunities to adults located in state prisons and jails. Programs include ABE, AHSC, and GED. Additional services include employment counseling and career exploration. Transition services to other adult education programs are available before and after release.

*Statewide enrollment for 2005-2006 was 7,230.*

#### **Even Start**

Even Start is an education program for low-income families that is designed to improve the academic achievement of young children and their parents, especially in the area of reading. Families must qualify for Even Start, and the children must fall between ages birth to age seven. Even Start offers a program with four defined components consisting of early childhood education, adult literacy, parenting education, and interactive literacy activities between parents and their children.

*Statewide enrollment for 2005-2006 was 167 families.*
